# Important Notes

Below we have indicated the EBLI activities and information that align with the Common Core State Standards. EBLI does not align with all Standards; we have only included the Standards with which EBLI does align. For the complete list of Standards, please visit [www.corestandards.org](http://www.corestandards.org).

There are 15 sections of EBLI activities and information. Because not all 15 sections fit on one page, we have divided them into Part 1 (first 7 sections) and Part 2 (other 8 sections). Please refer to Part 1 and Part 2 when researching which EBLI activities and strategies align with each specific Standard. Contact EBLI at [info@ebi.com](mailto:info@ebi.com) or (810) 732-4810 with any questions.
