

EBLI Recommended Reading List

****IMPORTANT****

- **Choose books or articles on subjects the students are interested in or passionate about!**
- **If they are reading with you:**
 - **Choose material that is more challenging than they could read on their own.**
 - **They should be making mistakes for you to correct.**

Here are some book recommendations for various grade levels. Most of these are series. We like to get kids 'hooked' and have a desire to keep on reading!
